Pearlescent
Gloss

Crafted in an elegant 600×1200 mm format, the collection draws inspiration from the soft radiance of natural pearls. Delicate movements across the surface create a graceful visual depth that feels refined, calm, and distinctly luxurious.

The high-gloss finish enhances every subtle detail, allowing light to glide beautifully across the surface. Its luminous character adds brightness and dimension, making interiors feel more spacious, polished, and sophisticated.

Designed for modern spaces with a timeless sensibility, these surfaces bring together pearl-like elegance and contemporary gloss. From statement walls to expansive floors, every application reflects the signature finesse of Candy Granito.

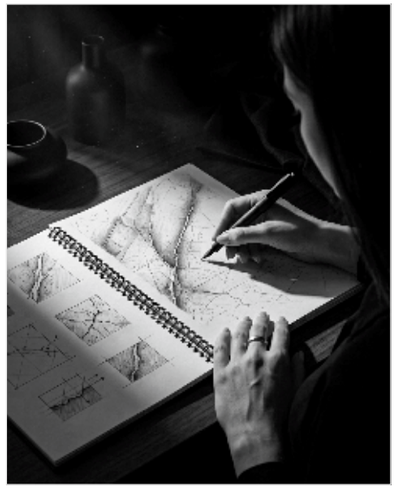

Inspired by the soft radiance of pearls, the LUX Series brings fluid elegance to every space. Its refined pearl-like patterns and luminous glossy finish create a surface that feels graceful, luxurious, and effortlessly timeless.

Italnian
Inspired Design

Where modern creativity meets the timeless artistry of granules and natural flakes.

Long before human craftsmanship, nature was composing its own masterpieces. Through centuries of geological transformation, it shaped textures rich in character and depth. Every pattern celebrates authenticity, blending organic beauty with refined sophistication to create surfaces that embody enduring elegance.
